कोरोना वायरस के लक्षण

कोरोना वायरस कैसे फैलता है?

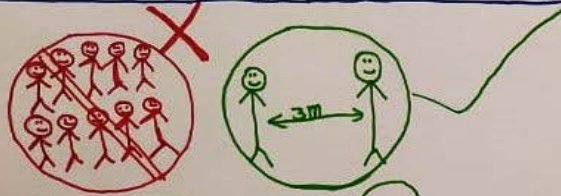

- ✿ संक्रमित व्यक्ति के खुली जगह में छिक्ने खांसने से
- ✿ संक्रमित व्यक्ति से दाय मिलाने गले लगाने से
- ✿ संक्रमित व्यक्ति के संपर्क में आने के बाद बिना दाय धोए, अपनी आँख मुँह एवं नाक को छूने से

ऊपर लिखी बातों से पता लगता है कि वायरस संक्रमित व्यक्ति के संपर्क से फैलता इसलिए ज्यादा धर में ही रहे जब तक कोरोना के खतरा ना रहे।

STAY HOME

# COVID-19 से बचाव के उपाय

संक्रमित व्यक्ति  
के निकट सम्पर्क  
में आने से बचना

नियमित  
सूपसेदिन में कई  
बार हाथों को  
साबुन से धोएँ

सार्वजनिक  
स्थानों पर मास्क  
लगाकर जाएँ

बिना हाथ धोएँ  
अपनी आँख, मुँह  
और नाक को  
ना छूएँ।

उत्तर से आई रे बीमारी, फैल गई देशा देशा में,  
फैल गई गांव – गांव में –2  
मता बहनो तुम बाहर जाओ तो मास्क लगा लो मुंडा पर –2  
उत्तर से आई रे बीमारी, दुर देश से आई रे बीमारी –2  
बाहर से आओ तो साबुन से हाथ धो लो –2  
माता बहनो तुम बाहर जाओ तो दूरी बना लो आपस में –2  
उत्तर से आई रे बीमारी, फैल गई देशा देशा में,  
फैल गई गांव – गांव में –2  
बूढा ठेरा ने मायने राखो, मत जाओ मिलन जुलन ने,  
उत्तर से आई रे बीमारी, फैल गई देशा देशा में,  
फैल गई गांव – गांव में –2

The disease which came North  
Spread from country to country  
Spread from village to village  
Mothers and sisters do not forget  
if you go outside  
Wear a mask  
If you come from outside  
wash your hands with soap  
If you go outside  
Maintain safe distance  
If you have elderly  
Keep them at home with care  
For the disease which came from North  
Spread from country to country  
Spread from village to village

## Song-2

<https://youtu.be/tVLM5-IA5VA>

छलिये का बेस बनाया, कोरोना डराने आया - २  
सरकार ने सुना भारत को बचाया - २,  
लोकडाउन तुरंत लगाया, कोरोना डराने आया - २  
छलिये का बेस बनाया, कोरोना डराने आया -२  
मुझे मास्क है मुह पे लगाना -२, थोड़ी हमको है दुरी बनाना -२  
मुझे हाथ है साबुन से धोना, कोरोना को दुर भगाना -२  
छलिये का बेस बनाया, कोरोना डरा ना पाया -२

Camouflaged and in disguise  
Corona softly arrived  
To spread fear among us  
To save the Nation  
Government imposed lockdown  
We need to wear a mask  
We need to maintain a distance of two feet  
We need to wash our hands  
We need to get rid of Corona  
Even though in disguise  
Corona cannot take away our spirit
